

How's this for listener response?

We gave away 28 trips for four to Disneyland on our air to callers with correct answers to the Goodtimes Puzzle. Then, we invited people to fill out the entire Puzzle, available only at Lucky Stores, and send to us for a chance to win one of 12 bonus trips for four to the Magic Kingdom. When we asked Ron to count the entries, he threw his ears in the air. But that mound of entries stands three feet high, piled on a nine-foot long table.
